We are located on county road 1000 east (known as CR 1000E) just south of Dewey, IL. The location is approximately 11 miles north of the Champaign intersection of Prospect and I-74.

DCB is housed in a complex of four beige buildings. When arriving, the first building on the right has the public entrance.

The building campus is about a half mile south of IL highway 136. We are located on County Road 1000 E.

CR 1000E is an extension of the Champaign street, North Prospect. However, when driving north on Prospect, there is a half mile jog in the road where it crosses county road E-2400N, also known as Champaign County Highway No. 11.

From Champaign:

We are located about one half mile south of that intersection on the right.
